11. (C) The U.S. decision to resume participation as an active observer at the United Nations Human Rights Council (HRC) during the March HRC session is "good news," MFA International Organizations and Conferences Department Human Rights Division Deputy Director Xu Jing told PolOff March 2. Responding to reftel points on the HRC, Xu said that U.S. participation in the HRC "will give China and the United States additional opportunities to work together on human rights issues."

12. (SBU) Separately, PolOff conveyed reftel points on the U.S. decision not to participate in further negotiations on the Durban Review Conference draft text to MFA International Organizations and Conferences Department Human Rights Division official Zhang Yi on March 2.
